

# Kyle Cavan for Baylor University

Conversation hearts are a thing of the past (thank God!). This Valentine's Day, we're talking about a treat you'll actually want to receive! Kyle Cavan has combined two of Buttoned's favorite things – fashion and Baylor University – in their new line, Kyle Cavan for Baylor. Whether you're buying for your SO or expressing some self-love, Kyle Cavan has the perfect gift that will be treasured forever.

Their Baylor Sunburst Necklace and Baylor Florentine Necklace feature the official Baylor seal pressed into Cavan Gold - perfect for wearing alone or layering with other necklaces. Show your school spirit with their green and gold Baylor Enamel Bracelet, which also displays the Baylor seal. Whatever you choose, you're sure to make a statement!

This Valentine's Day, show your love by flinging your green and gold afar (even though we still don't know what that means) and wearing Kyle Cavan's new Baylor line (no pun intended, but \*cue That Good Old Baylor Line\*). Shop the looks on their [website](#).
